

FONTICIELLA MEDICAL CLINIC, INC.
FINANCIAL POLICY

We at Fonticiella Medical Clinic, Inc. want to make your visit here as professional and pleasant as possible. We value our patient's health and strive to assess and treat your medical problems as efficiently as possible. We accept most common insurances, such as Blue Cross Blue Shield, traditional Medicare, Humana, to name a few as well as some other private insurances. However, we DO NOT ACCEPT ALL INSURANCES, and unfortunately, it is the patient's responsibility to inquire if we are a participating provider with your insurance carrier. Due to the ever changing economy and increasing overhead that is implicated on businesses, especially small businesses, we have had to set the following financial policies:

- All co-pays, deductibles, and co-insurances are to be paid at the time of service
- Any unpaid balances are to be paid prior to visits
- Patients with previous collection balances or filing of bankruptcy will be required to pay visits in full prior to being seen
- Any accounts that have balances and do not show payments will be subject to being turned over to a collection agency
- Balances are to be paid prior to prescriptions being refilled

We realize there are sometimes underlying circumstances and will be happy to discuss these with you at any time, however, please keep in mind that we are a business just as any other business that you frequent and pay for services, therefore we would appreciate you to respect our services as well.

By signing this document you are acknowledging that you have read and understand the above financial policy.
